

JVA Electric Fence Beeper

PTE0221

Overview:

The JVA Electric Fence Beeper is a novel device which simply beeps when in close proximity to an electric fence wire. Depending on the fence voltage, it will beep from about 20cm away from the wire.

Features:

- Beeps in time to the fence pulse
- Attaches to your keyring
- Small enough to fit in your pocket

Note, this is NOT a Fault Finder, for that you will need a JVA Fault Finder (PTE0129)

Warranty:

3 Year Manufacturer Warranty
